

# Pitch Coaching

A highly focused, one to one service that can help any professional at any level to overcome any pitching nerves and become a powerful, credible and influential public speaker.

This program is completely personalised, so the duration and schedule is determined from the client's individual needs; anything from a two hour 'fine tuning' session to a longer term program of sessions, designed to produce a highly developed set of skills across a whole spectrum of presenting activities.

The logo for Pitch Doctor, featuring the words "PITCH DOCTOR." in a bold, white, sans-serif font. The letter "I" in "PITCH" is replaced by a white silhouette of a person standing on a small platform, holding a microphone. The logo is set against a solid blue background.

## Course Contents

- Overcoming fear and nerves
- Creating stage presence
- Connecting with your audience
- Fine tuning your language
- Building rapport and confidence
- Using humour effectively
- Making your pitch flow

## Target Audience

- Anyone who wants to dramatically improve their pitching skills in a highly personalised environment

## The Pitch Doctor

The Pitch Doctor - Paul Boross - and his team of professional trainers have one mission: to help you win business.

How? By coaching you in the art and science of pitching. By showing you how to present yourself, your company and your product to optimal effect. By equipping you with a toolkit of psychology, NLP, performance, communication and storytelling techniques that not only deliver commercial results, but build relationships and keep clients coming back for more.

In short, by giving you the skills to win and the confidence to dare to.
